Dear Stage Friends

The month of March has turned into a cultural explosion!

Several Tours, Special Events, a Premiere (ART+ Cultural Prize) - all in one month. At least you have plenty of good events to choose from - unless you are as "hungry" as we are and participate in all of them!

We wish you all the Best!

Jean-Daniel von Lerber

=> **GAST AUF ERDEN - 400 Years Paul Gerhardt** Sarah Kaiser and Andreas Malessa together on Tour

Starting **March 1**, the Berlin Jazz Singer Sarah Kaiser and her band is starting a tour together with Speaker / Journalist Andreas Malessa. While he is telling the life story of this remarkable lyricist of German Church History, Sarah interprets the old Hymns in a fresh, new and jazzy way. A unique experience not to be missed.

"Time to Celebrate"
Jubilee Tour 2007

=> SUPERZWEI & ALLEE DER KOSMONAUTEN The two Highlights at Swisseglise

The 2nd Swisseglise Fair commissioned us to set up two cultural nights. Here's what we came up with:

COMEDY NIGHT - Friday, March 9, Thurgauerhof, Weinfelden.

Plissé, a young quartet of creative women that has already gained a good deal of applause at the Theater am Hechtplatz and at Casino Winterthur, shares the stage with the heroes of **superzwei**, the ultimate comedy duo from Germany. Be ready to laugh a lot.

SATURDAY NIGHT - LIVE! - Saturday March 10, Thurgauerhof, Weinfelden

Beside the local Band **Warrnambool**, the music group of the Zurich streetchurch **Streetsounds** play during the first half.

Followed by the German musicians **Allee der Kosmonauten**, a band with a lot of interest in Germany and Switzerland. They have done big projects in their country, including artists like Xavier Naidoo (Zeichen der Zeit). An evening full of great songs and beats!

Good News: Students and Pupils benefit of a Fr. 10.00 discount!

Tickets: Fr. 37.00, including access to the Fair Fr. 42.00
