Many impressions of the different festivals and workshops that took place. Moments to laugh, moment to cry. A mirror of what about.</p> <p>Unfortunately the two evenings at SWISSEGLISE left us with the biggest loss we have had in years. Of course many questions arise and we realise how thin the ice is on which we have been by year.</p> <p>To be able to celebrate our 30th anniversary in November is quite a miracle, indeed!</p> <p>We are now looking forward to some calmer days. Easter is ahead of us. We trust that des chocolate &amp; sweets and some more days off, the main reason why we celebrate this day is the risen Christ.</p> <p>Jean-Daniel von Lerber</p> <p>P.S. ### => **ALPHA & OMEGA - a celebration! - 3 CH-Concerts in October**

#### **2007: ALPHA and OMEGA Jubilee.**

In December 86 we organised 4 Swiss concerts of ALPHA & OMEGA, a work for choir and orchestra composed by Adrian Snell. Many of the singers and concert visitors were very impressed with this material.

PROFILE Productions will set up 3 concerts in the fall of 2007 with this remarkable work. A joined by long time friend **Dave Fitzgerald** (sax/flutes) and IONA drummer **Frank van Es** (drums/violin/percussion). Adrian's daughter Carla Jae sings some of the solo parts. Many singers subscribed to the choir. So we will be able to put together a 45 voice choir under the direction of Guy Barblan for this project.

Please, put these dates in your agenda:

**Fr Oct 26, 07, 20h00, Epalinges, Salle de Spectacle**  
**Sa Oct 27, 07, 20h00, Winterthur, Parkarena**  
**Su Oct 28, 07, 19h00, Thun, Schadausaal**

In the first part of the concert the British Composer / Songwriter Adrian Snell will be presenting his Album, titled **Every Place is under the Stars**.

It consists of a number of upbeat and fun songs with great hook lines. Two of the tracks have been written by his daughter, Carla Jae, who has started to join him at his concerts where she gets the chance to perform some of her own material as well.
