Many good memories remain: The tour in Germany with Carlos Martinez as well as the wonderful but hot night with Brian Doerksen.</p> <p>Two weeks ago I had a very special encounter: After many years I spent an afternoon with Larry Norman, the musician for whom I organised the very first concert in 1977! It was funny to find out the things each of us remembered of that time...</p> <p>Summer will be a bit quieter. That gives us time to prepare the many projects of the second half of this year. Especially the only Swiss concert with Rebecca St. James in August!</p> <p>Jean-Daniel von Lerber</p> <p>P.S. It will be a wonderful summer holiday end party!</p> <p>PROFILE Productions offers a limited number of EARLY Tickets with a discount of Fr. 15.00! 	<p><b>=&gt; PHIL KEAGGY Workshop DVD - available now!</b></p> <p>All those who attended either a concert or a workshop of guitar virtuoso PHIL KEAGGY last June know that this DVD has to be a very special item! Phil Keaggy is not only playing a lot, he explains his tricks, different tunings and the use of effects.</p> <p>A special topic on the menu is an exact listing of his own live equipment (with pictures). For every effect you find a short description of its use. This is a great help if you plan to buy some specific equipment in order to get the same sound as Phil's Loop technique (at least technically...).</p> <p>Further on you find some of Phil's jam sessions with students. And in between he is giving them some background and more about his inspiration.</p> <p>The DVD includes material from Basel as well as from St. Moritz where the workshops were way up in the mountains (Trutzhütte). No wonder the producer included some scenes of the wonderful landscapes...</p> <p>100 minutes of excellent material for every guitar player! The price of the DVD is SFr. 35.00.</p> <p>Here you find the order form (national &amp; international): <a href="http://www.philkeaggy.ch/dvd.html">http://www.philkeaggy.ch/dvd.html</a></p>

## => ALPHA & OMEGA - a celebration! - 3 CH-Concerts in October

### First Choir Rehearsal June 9

On Saturday, June 9, the first choir rehearsal is scheduled in Berne. More than 40 singers will meet for the first time (some from the French-some from the German part of Switzerland). If there are some men (bass or tenors) who would like to join on short notice, please let us know! Call 044 784 85 50. You are warmly welcome (as men are always rare in choirs...). Thanks you!

### 2007: ALPHA and OMEGA Jubilee.

In December 86 we organised 4 Swiss concerts of ALPHA & OMEGA, a work for choir and musicians, composed by Adrian Snell. Many of the singers and concert visitors were very impressed and touched by this material.

PROFILE Productions will set up 3 concerts in the fall of 2007 with this remarkable work. Adrian Snell will be joined by long time friend **Dave Fitzgerald** (sax/flutes) and IONA drummer **Frank van Essen** (drums/violin/percussion). Adrian's daughter Carla Jae sings some of the solo parts.

The singers will be prepared under the direction of Guy Barblan, one of the founders of PSALMODIA.

Please, put these dates in your agenda:

**Fr Oct 26, 07, 20h00, Epalinges, Salle de Spectacle**

**Sa Oct 27, 07, 20h00, Winterthur, Parkarena**

**Su Oct 28, 07, 19h00, Thun, Schadausaal**

In the first part of the concert the British Composer / Songwriter Adrian Snell will be presenting his new Album, titled **Every Place is under the Stars**.

It consists of a number of upbeat and fun songs with great hook lines. Two of the tracks he co-wrote with Carla Jae, his daughter. She has started to join him at his concerts where she gets the chance to present some of her own material as well.

We expect to start the presales at the beginning of July.
