Dear Stage Friends

The 3 concerts of ALPHA & OMEGA are coming up soon. It is such a great piece of music! When you hear the Choir you risk of getting goose pickles. Don't miss this opportunity. This work influenced and encouraged many.

In November, Albino Montisci and his Trio is going to give two very special concerts in Biel. In collaboration with the Dance School „Expression Dance“ of Daniele Portner. She was a part of the Dance Company IRIS who did 14 performances with Albino and his band in 1989. Now she choreographed his songs for her over 60 students... A wonderful project.

With my best wishes for unforgettable events.

Jean-Daniel von Lerber

Adrian & Carla Snell

=> ALPHA & OMEGA - a celebration! - 3 CH-Concerts in October
Don't miss this opportunity to hear it LIVE once more!

Personally I really want to recommend this work to all of our readers. It was and still is a milestone of Christian Music here in Europe and this is a rare opportunity to hear and experience it live – maybe a last time here in Switzerland.

2007: ALPHA and OMEGA Jubilee.

In December 86 we organised 4 Swiss concerts of ALPHA & OMEGA, a work for choir and music composed by Adrian Snell. Many of the singers and concert visitors were very impressed and touched by this material.

PROFILE Productions will set up 3 concerts in the fall of 2007 with this remarkable work. Adrian Snell will be joined by long time friend **Dave Fitzgerald** (sax/flutes) and IONA drummer **Frank van Essen** (drums/violin/percussion). Adrian's daughter Carla Jae sings some of the solo parts. The singers will be prepared under the direction of Guy Barblan, one of the founders of PSALM.

Please, write these dates in your agenda:

Fri Oct 26, 07, 20h00, Epalinges, Salle de Spectacle

Sat Oct 27, 07, 20h00, Winterthur, Parkarena

Sun Oct 28, 07, 19h00, Thun, Schadausaal

Info and Tickets can be found under the following link:

In the first part of the concert the British Composer / Songwriter Adrian Snell will be presenting his new Album, titled **Every Place is under the Stars**.

It consists of a number of upbeat and fun songs with great hook lines. Two of the tracks he composed with Carla Jae, his daughter. She has started to join him at his concerts where she gets the chance to present some of her own material as well.
