Dear Stage Friends

The three concerts with ALPHA & OMEGA are still resounding in our hearts. The feedback was very impressive and it proved that this work is timeless, indeed.

In particular the first half of the programme, performed by Adrian Snell and daughter Carla Jae got very good critiques from visitors. There is maybe enough on-going interest to consider inviting Adrian and Carla back another year.

In 10 days from now, Albino Montisci will perform two exceptional concerts: Together with a group of over 60 dancers, he will sing his repertoire, choreographed by Daniela Portner. An unforgettable experience!

Then we want to congratulate our friends from "superzwei" for their 20 years of touring and giving concerts. We wish you only the Best!
