

## Phil Keaggy – Solo Guitar at its best Tour September 2012

---

Phil Keaggy is considered one of the best guitar players. His solo concerts are a class of its own. The 2012 Tour is a rare opportunity to experience this outstanding artist LIVE.

### Phil Keaggy

Phil Keaggy is perhaps one of the most admired guitarists in music today. His fans range from those who aspire just to be able to play Keaggy's mistakes, to professional musicians who have been strongly influenced by his style. And in between are those who don't play guitar, yet find solace in his beautifully penned lyrics and memorable melodies.

Phil's solo career has spanned more than 30 years, and has included over 50 solo albums, both vocal and instrumental, as well as 8 releases with his band, Glass Harp. One of the most sought after studio guitarists, Phil also continues to sell out concerts all over the United States, with his ever-changing style, ranging from rock-and-roll to fully orchestrated instrumental compositions.

One musician on stage playing a set of acoustic guitars that, at times, turn into a full band, telling stories around some of his songs and connecting with his audience in a very personal way.
