SAY IT IN SILENCE – MIME COURSE

THE PROFESSOR

Carlos Martínez, Mime Actor from Spain

COURSE CONTENT

ONCE A YEAR, Carlos Martínez combines his stage talent and professional experience with his love of teaching in a highly personalized advanced mime course for twelve students. **Say It In Silence** is the next step for students who have already completed “Touch the Silence“ or a similar introductory to mime workshop and who want to discover more about the language of mime. The classes cover nonverbal communication and improvisation along with stage production. The course is taught in English. You learn more in one week than you ever imagined and enjoy yourself at the same time!

PROGRAM

- Characters – How to create them. How to keep them alive. How to die with them.
- Objects – Those that do not move us. Those that move us. Those that we move.
- Verbs – Without them, there is no language. They need characters and objects. Mastering them is the secret of a good piece.
- Prepare a short piece of mime – Explore ideas to develop and perform the piece
- 30 minutes of private tutoring

PLEASE BRING

Comfortable clothing for classes and rehearsals.
